***Ewa Ziubryniewicz***

Parent Governor, Bearnas – End of term 02/03/2021

Ewa is mum to two little girls and, soon to arrive, a son. She came to England in September 2012 and has lived in Newton Abbot ever since. Before arriving in the UK, she gained a University degree in Ethnology and Cultural Anthropology at Jagiellonian University in Poland and has also completed courses on Psychology and Far East Cultures (including Japanese and Chinese languages). Ewa has taken on the responsibilities as Lead Governor for Special Educational Needs and Disabilities (SEND) on the Newton & Teign Local Governing Board and is looking forward to supporting all our schools. Her family was always involved in school life back in Poland, so she is very keen to continue that tradition, hopefully bringing some fresh ideas to the Board.
